Rydell Chevrolet Body Shop Tour

Join us on a tour of Rydell Chevrolet Body Shop as they share their repair processes and equipment used in the body shop. Then it is off to the Wes Rydell hobby shop where you will surely see some "eye candy"! Make plans to join us in this "rare" opportunity! You will not be disappointed!

SPEAKERS

Jerry Temple

Jerry Tempel has been with the ACDelco program for 11 years. During that time, he served as a Product Specialist and Instructor in the North Central Region. Prior to that, he worked in a GM dealership as an ASE Certified Technician. The last dealer position he held was as Fixed Ops Director for Zimbrick Buick and Nissan in Madison, Wisconsin. Jerry's training started with a community college for the automotive program, then with the US Army as a Generator Technician.

Mike Hiemenz

Straight & Square Distributing is owned and operated by Mike Hiemenz. Mike first entered the auto repair industry as a Body Technician in the 1970s after serving in the US Navy. Mike was associated with Chief Automotive Technologies serving Minnesota, North Dakota and NW Wisconsin from 1989 to 2010, and attained their certification as a "Master Structural Professional" with highest honors, is a graduate of the St. Cloud Business College in Sales and Business Management and ASE certified. Mike continues his education in the field and with OEMs in the continually changing automotive collision repair industry.

In 2006 Mike started Straight & Square Distributing and expanded his product line to include: Pro Spot Welders, Mo Clamp, OTC, Porter Ferguson, Robinair, CJ Signature and Star Liner Frame Racks, Eclipse and Spectre computerized measuring systems by "Advanced Measurement Systems."

31st ANNUAL
NDABA
CONVENTION AND TRADE SHOW

CONVENTION WELCOME

The North Dakota Auto Body Association would like to invite you to the 31st Annual Convention and Trade Show. We have worked hard to bring you topics and vendors we feel will be beneficial to each of us in our day-to-day operations in the auto collision industry. This year's line-up offers some interesting, informative and fun seminars and a tour. Please join us as we celebrate what YOUR ASSOCIATION has to offer

CODE OF ETHICS

1. To promote good will between the motorist and members of the Association.
2. To have a sense of personal obligation to each individual customer.
3. To perform high quality repairs at a fair and just price.
4. To employ the most skilled mechanics obtainable.
5. To use only proven merchandise of high quality, sold by reputable firms.
6. To itemize all parts and adjustments in the price charges for services rendered.
7. To retain all replaced parts for the customer's inspection.
8. To uphold the high standards of our profession, always seeking to correct any and all abuses within the automotive service industry.
9. To uphold the integrity of all members of the North Dakota Auto Body Association.
